Membership Update

We are finally on our way to producing and sending out the new membership cards.

We thank you for bearing with us while this was being rolled out.

The new membership cards will now be off a more permanent solution and hence more eco-friendly. We will no longer be issuing annual membership cards as these new cards will make this function defunct.

This means that your membership number will remain the same year on year. However, you still need to pay any renewal fees when your current membership comes to an end. Most of our Samaj members tend to renew on an annual basis and so this will continue.

Your membership will be tracked by our system and so will make it easier to manage.

We are also pleased to announce that the website is currently being overhauled and in the near future, you will be able to renew memberships online.

Dear Young Brahmins and BSNL Members,

As we complete our first quarter of 2019, I can't help but think where has it gone? Winter is drawing to a close and the cherry blossoms and daffodils are out! That can only mean one thing... The Easter and May bank holidays are approaching!

While this is a fun time for some of us, it does also mean exam season is approaching. I would like to reach out to all our Young Brahmins who are studying hard whether it is for their GCSEs, A-Levels, at University, Professional Qualifications and anything else in between! Wishing you the very best in your academic endeavours!

For those looking to take a break from it all studying or not, we have a couple of events approaching which we will be sharing details about. We have a Games Night being planned as a chill out evening and a Star Wars Movie Marathon planned for Star Wars Day which is open to all the family!

Watch this space for information!

Any questions? Want to volunteer?

Please get in touch with me on 07846933541 or s.rawal@bsnl.org.uk

Kind regards,

Selina

Arise, awake and donot stop until the goal is reached.
