

## **Important Message from BSNL Trustees**

On behalf of the BSNL committee, we trust that you are all safe and well at home.

We would like to remind you that it is that time of the year when annual membership fees become due and payable now if you haven't done so.

We have all seen how important the digital and virtual interaction has dominated our lives recently. We are also proud that many of our elderly members have educated themselves with new digital skills. Members have learnt new ways of relating to the pandemic and taken part in all our virtual digital activities from the safe environment of their homes. We have also tried to help remotely where members found it hard to interact digitally with our daily activities.

We have given every member an opportunity to give BSNL your GDPR consent by returning your agreement form. There were a number of members who did not return these forms. Unless we hear from those members who were unable to return these forms, declining consent in writing in the next 7 days, we will assume that you agree and give us your approval to the GDPR terms and conditions.

From now onwards, BSNL will be increasing all our interactions with our members on different digital platforms. This will include email, WhatsApp, Text, etc.

We will not ignore members who do not have this facility. Printed material will be sent out to those who we identify as the vulnerable.

**We are requesting your help so that BSNL can help you better. Please check that we have all your correct details on our files. You can inform us of any changes at the following email address and we will update our records accordingly.**

Your correct name and surname. (We would like to spell your names correctly.)

Your current full address including correct post code.

Your Mobile Telephone Number. This will help us send you information digitally and speedily.

Your membership number. This must be quoted on all occasions when taking part in different activities.
